

RMA eMentor - User License Registration (EMP-LVF-RMEME01-LCN)

RMA's eMentor® is a comprehensive online resource for commercial credit, risk, industry, and analytical support information. Using a searchable database, you can instantly pinpoint the resources you need. It allows financial services professionals to supplement their own knowledge and experiences with RMA-developed business processes for credit and lending, as well as well-established business information resources.

eMentor gives you access to:

- **Industry-specific**, accurate, and relevant **credit information** from reliable sources including IBIS World, Global Insight
- **eStatement Studies**, which provide the most current comparative business data on the market today (includes current data and historical data).
- Training modules that offer **best practices** in Commercial Lending, Commercial Real Estate, and Corporate Finance from "Getting to Know the Customer" to "Closing the Deal."
- A variety of materials and tools including call briefs, industry reports and sector narratives covering 950 industries (320 in extensive detail).
- **Case studies** that provide valuable and timely insight into real-life credit and lending decisions.
- **Fundamentals Exam and Diagnostic Assessment**

The RMA eMentor license is a pre-requisite for all RMA learning activities. It must be completed before registering for the case study/discussion, Fundamentals Exam or Diagnostic Assessment.

Facts about eMentor:

Registration:

1. Login to the *CUSOURCE* Learning Gateway.
2. Click **Search and Learn**.
3. Type **RMA eMentor** in the keyword box and click the **Search** button.
4. Register for **User License for RMA eMentor** (EMP-LVF-RMEME01-LCN).
5. Click **My Courses** and launch the RMA eMentor activity. You will automatically be directed to the RMAU Online website.
6. Complete the account registration. You will then have access to the features on the RMA University Online website.
7. Click on **CREDIT RISK/eMentor™** in the upper-left of the screen.

For detailed instructions on how to access RMA eMentor, please see the [How to Access RMA eMentor](#) guide.
