

FSR DEVELOPMENT PROGRAM

The FSR Development program is a three-tiered training program designed specifically for Financial Service Representatives working in the credit union system. The program has been designed to provide the foundational, applied and advanced skills needed in the role.

Currently in development, the program is being released in stages, and upon completion will lead to an FSR accreditation in partnership with Dalhousie University.

Tier One: Foundational Skills

New courses developed in partnership with Westoba Credit Union, Steinbach Credit Union, Access Credit Union and Assiniboine Credit Union

Tier one of the FSR Development program covers everything an FSR needs to know in their first three to nine months on the job. **Curriculum includes:**

Product and Service Knowledge Assessment

Spotting Quality Referrals

Core Credit Knowledge
